PROPERTY DESCRIPTION

A lovely Victorian needing a new owner who appreciates the character of wide moldings, the spaciousness of large rooms with tall ceilings, the light from large windows and the charm of gingerbread trim work. All the hard remodeling work has been done and now it's time for a fresh decorating approach. The home sits on the north side of an oversized lot providing a large south facing yard for gardens or play area. There's even a large deck to extend your living area. There is a large detached shop which had been an unpermitted MIL unit and would make an awesome artist studio. **For 24-Hour Recorded Information call 800-392-3830 and enter code 6511. This property is RENOVATION FINANCING APPROVED.**
